TEACHING EXPERIENCE

- Mar 2025—Aug 2025 **Adjunct Instructor**
Graduate Professional Studies, Brandeis University, Waltham, Massachusetts, United States
- Instructor of RUCD130 – Information Architecture
 - Contributed to a redesign of the curriculum
- Sep 2021—Dec 2021 **Sessional Instructional Assistant**
Faculty of Information, University of Toronto, Toronto, Ontario, Canada
- Helped instructor Keith Schengili-Roberts in the course INF2170H – Information Architecture
 - Led twice-weekly tutorials for several groups of students
 - Assisted in grading assignments

Guest Lectures

Panel discussion, talking about my experience as an information architect. University of Dayton. Introduction to Professional and Technical Writing. (2025, December 2). Virtual.

“Information Architecture.” University of Dayton. Writing for the Web. (2025, February 18). Virtual.

WORK EXPERIENCE

- Aug 2022—Present **Information Architect**
Paligo, Toronto, Ontario, Canada
- Sep 2022—Jul 2023 **Information Architect**
Precision Content, Toronto, Ontario, Canada
- Sep 2020—Sep 2022 **Associate Information Architect**
Precision Content, Toronto, Ontario, Canada
- Participated in building the information architecture department by creating and documenting best practices and focusing on continuous improvement
 - Identified the necessary elements for the DITA content model and their proper usage, including working with the content authors and editors and/or user experience designers
 - Determined if and how the content model will be customized (e.g. applying constraints or specializing topics or elements)
 - Defined content organization standards
 - Determined proper reuse strategies for content within and outside of the storage system

WORK EXPERIENCE (continued)

- Created and maintained common reusable content (e.g., approved boilerplate text, warnings, product names, glossary terms, note usage, etc.)
- Created content authoring templates
- Developed examples of content structures and appropriate element usage
- Defined content access requirements, such as a faceted browser search support via taxonomy or index term requirements
- Assessed content delivery requirements for each consuming system in collaboration with the Product Owners of each of the consuming systems
- Identified content for conversion from legacy systems
- Developed conversion specifications for the necessary source formats

Feb 2019—Aug 2020

SEO Specialist

Dealer Inspire, Naperville, Illinois, United States

- Responsible for monthly SEO and digital content strategies for 30+ clients
- Regularly conducted keyword research and site audits
- Met with clients and account managers to understand needs and discuss strategies

Nov 2018—Feb 2019

Web Content Publisher

Launch Digital Marketing/Dealer Inspire, Naperville, Illinois, United States

Oct 2017—Nov 2018

Associate Web Content Publisher

Launch Digital Marketing/Dealer Inspire, Naperville, Illinois, United States

- Published web content for dozens of clients
- Used HTML/CSS and a variety of content management systems on a daily basis

Jul 2016—Jul 2017

Assistant Language Teacher

Japan Exchange and Teaching (JET) Programme, Yatsushiro, Kumamoto, Japan

- Taught English at five public schools in rural Japan
- Led a UX research and strategy project for the Kumamoto Association for Japan Exchange & Teaching website; resulted in 67% improved content findability

May 2016—Jul 2016

Content Strategy/User Experience Intern

Sundog, Fargo, North Dakota, United States

- Researched and presented on global content strategy
- Did UX design for a client iPad app
- Researched and gave recommendations on client SEO

WORK EXPERIENCE (continued)

- Feb 2015—May 2016 **Communications Intern**
CREATE for STEM Institute, Michigan State University, East Lansing, Michigan, United States
- Worked with the Communications Director to design a content strategy for the institute’s web presence (content governance, modeling, styling, editing, etc.)
 - Wrote feature articles and news stories about the institute’s grants and projects
 - Developed a mobile-responsive site in Drupal with HTML, CSS, and JavaScript
- May 2014—May 2016 **Writing Consultant**
Michigan State University Writing Center, East Lansing, Michigan, United States
- Assisted undergraduate and graduate students with writing, editing, and revising their assignments
- Apr 2015—Sep 2015 **Website Analysis and Content Intern**
Michigan State University Office of Student Affairs & Services, East Lansing, Michigan, United States
- Assisted numerous departments with designing and migrating content to new Wordpress sites

PROFESSIONAL ACTIVITIES
